

Prototypes for the different user classes are mentioned in:

Tourist\_Prototype.pptx

Researcher\_Prototype.pptx

Administrator\_Prototype.pptx

And the justification about the non-trivial frequent use cases of different user groups is mentioned in:

Use\_Cases.pdf

Evaluation (Expert/User) of the prototype is mentioned in:

Prototype\_Evaluation.pdf

Videos are submitted through pptx file.

To view the videos, you have to enable editing and enable content mode in power point presentation.

And you should have an active internet connection to view the videos.

The links of the videos for different user classes are:
